

SLUDGEZAP

A revolutionary formula that targets and eliminates the root causes of odours in pipework

What makes it different?

SLUDGEZAP tackles the root cause of odours and blockages, clearing organic buildup in sinks, showers, toilets, and sluices. In kitchens, it is effective in breaking down fat and grease, preventing re-congealing and ensuring clean, flowing drains.

Benefits

- ✓ Eliminates odours
- ✓ Removes and prevents blockages
- ✓ Non-corrosive
- ✓ Reduce maintenance costs

Where can I use it?

- ✓ Toilets
- ✓ Sinks
- ✓ Sluices
- ✓ Other drainage points

Before SLUDGEZAP

After SLUDGEZAP

How do I use SLUDGEZAP?

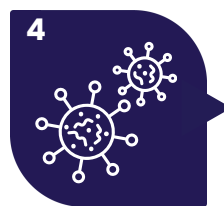

1
Take a scoop of SLUDGEZAP

2
Pour it into the sink, shower, bath or toilet

3
Followed by half a cup of water, or just flush the toilet

4
Let the bacteria get to work!

5
To avoid killing the beneficial bacteria, only clean with eco-friendly products
